

DECORATE PAPER  
WITH WATERCOLORS

FOLD PAPER BACK AND FORTH

PINCH PAPER IN CENTER WITH CLOTHESPIN

WRAP PIPE CLEANER AROUND HEAD

## HERE'S WHAT YOU DO

- 1 Paint with watercolors on tissue paper or paper towel; then allow to dry completely.
- 2 Fold paper accordion-style back and forth onto itself like a fan. Pinch paper in center with clothespin for butterfly.
- 3 Wrap pipe cleaner around head of clothespin for butterfly's antennae.

## MORE ART FUN!

- ★ Use scissors to cut shape of a butterfly from white paper plate. Paint butterfly with watercolor paint; then allow to dry completely. Use markers to add things such as markings on butterfly's wings.
- ★ Butterflies are so beautiful to look at as they flutter around and land on flowers. Don't touch – just look and admire. Then think of all the things in the world that fly. How many can you name?
